

Holiday at Home Loyalty Card Terms and Conditions

A Holiday at Home loyalty card can be issued after the third visit to any property within Holiday at Home portfolio which has been recorded on separate dates in the name of the lead guest. That person will become 'the bearer' of the loyalty card.

The Holiday at Home Loyalty Card entitles the bearer to a 10% discount off subsequent bookings to all properties within the Holiday at Home portfolio.

The discount will be deducted at the time of booking from the relevant tariff and excludes the optional extras of cancellation insurance, dog charge, 'Z' bed, special treats, dine-in, therapies and any other purchases, unless otherwise stated.

To qualify for the 10% discount, the reservation must be made by the Loyalty Card bearer and the bearer must be one of the guests visiting during the discounted booking.

The discount cannot be extended to multiple bookings of properties during the same period.

The Holiday at Home Loyalty Card cannot be used in conjunction with the under-occupancy discount or any other offers or promotions.

The Holiday at Home Loyalty Card must be used at least once in any twelve month period to qualify for this discount.

Each Holiday at Home Loyalty Card is numbered and personal to the bearer and may only be used by the person to whom it is registered to and whose signature is on the card. It may not be sold, given or loaned to anyone else to use.

The Holiday at Home Loyalty Card has no cash redemption value and remains the property of Holiday at Home Ltd.

Holiday at Home reserves the right to withdraw the loyalty card in the event of misuse and/or at their discretion for any other reason.

By accepting the Holiday at Home Loyalty Card it is expected that you agree to and accept these terms and conditions.
